PRESS RELEASE

Kikkor Golf Owner and The Golf Channel's 2012 Big Break Greenbrier Participant James Lepp to Appear at the 2013 Toledo Golf Show February 16th and 17th 2013.

TEMPERANCE, MI, December , 11th, 2012, - BW Golf LLC is excited to announce that the Owner of Kikkor Golf and The Golf Channel's 2012 Big Break Greenbrier Participant will appear at the 2013 Toledo Golf Show.

When asked why James applied for *Big Break Greenbrier* after quitting competitive golf he said:

"I wanted to be a professional golfer since I was four years old, ever since I picked up a golf club. I love golf, and live for golf. It's all I really know. I always was competing at the highest level, through junior golf, amateur golf and college golf. A couple of years into playing professionally I hit a pretty solid wall. I failed to improve. I felt like I was getting worse. Happily, I turned away from the game. I needed it. I was starting to "hate" golf, and I never thought I would get to that point. After a few years of barely playing and working on the business side of golf, I'm really starting to enjoy the game again. I'm curious to find out what 'real' competition feels like after being away. Will I love it? Will I hate it? Will I excel like I know I can, or not? *Big Break* will be my test."

James will be giving a talk to the golf show attendees about his experiences on The Golf Channel's Big Break TV Show, he will be putting on a clinic in one of the show's Hitting Areas, he will be signing autographs and also posing with attendees for photographs.

The 2013 Toledo Golf Show will be held on Saturday and Sunday February 16th and 17th at the Tam-O-Shanter Exhibition Center off Sylvania Ave in Sylvania Ohio. For more details and booth rental information, visit www.buckeyewolverinegolf.com or call (734) 807-0028 for more information.
